Styles from our Medical and Comfort range customized to your patients' needs! With our FIA concept this becomes reality in a structured and easy way to use.

AUTUMN/WINTER 2015

Dear customer,

Also for this season we include in this catalogue all available styles from our FIA range. You will find the same styles online in our FIA web.

In addition, we have added a selection of frequently asked OIL styles. Please note that these only can be ordered as OIL and OAS.

The selection of our FIA styles is based on the three following criteria: functionality, aesthetic appearance and popularity.

Colors

Free choice from FIA Standard Leather Catalogue 2013, Autumn/Winter 2014, Spring/Summer 2015 and the new Autumn/Winter Seasonal Catalogue. For FIA children shoes please use only the FIA Children Leather Catalogue.

Soles

Based on popularity we have limited the range of built traditional EVA soles. At the same time we launch a totally new EVA sole concept (soles: SE 50, SE 51 and SE 52). This is the new generation of EVA soles: you will see and feel the difference. Our goal is to make the EVA soles look nicer so that they appear more like moulded soles.

Lasts

Our Nåbling rehab last is now available in FIA and will be a good challenger for traditional Rehab last types.

Order Forms

On our download page you can find new, improved order forms for OAS and OIL range to order individual lasts. Before ordering, please check whether you work with the latest updated order forms and materials. NB: The version numbers are shown on the documents.

In Klaveness Footwear we are always looking for ways to improve our concept. We will therefore be happy to get any feedback that you may have.

We are ready for this season!

[no] Artikler fra vårt Medical og Comfort sortiment tilpasset dine pasienters behov. Med vårt FIA konsept blir dette virkelighet på en enkel og strukturert måte.

HØST/VINTER 2015

Kjære kunde,

I denne katalogen vil vi fortsette å vise alle modeller som finnes i vårt brede FIA sortiment. De samme modellene ser du også på FIA web.

Vi har i tillegg inkludert i katalogen et utvalg av populære OIL modeller. Vær oppmerksom på at disse modellene kun er tilgjengelige som OIL og OAS bestilling.

Utvalget av FIA modeller er basert på de tre følgende kriteriene: funksjonalitet, estetikk og popularitet.

Farger

Du kan velge fritt blant fargene som finnes i vår standard skinnkatalog 2013 pluss i sesongfarge-katalogene Høst/Vinter 2014, Vår/Sommer 2015 og i vår nye sesongfarge-katalog Høst/Vinter 2015. Bestiller du FIA barnesko, vennligst velg kun farger fra FIA Children skinnkatalogen.

Såler

Utvalget av bygde EVA såler er noe redusert, basert på populariteten av de forskjellige sålene. Samtidig har vi lansert et helt nytt EVA sålekonsept (såler SE50, SE51 og SE52). Her er en helt ny generasjon av EVA såler; forskjellen er tydelig. Målet er å lage attraktive EVA såler som ser mer ut som vanlige, støpte såler.

Lester

Vår Nåbling rehab-lest kan nå bestilles på FIA. Denne lesten vil være et godt alternativ til tradisjonelle Rehab lestevarianter.

Ordreskjemaer

På våre web nedlastingssider finner du nå nye, forbedrede ordreskjemaer OAS og OIL for bestilling av individuelle lester. Før du fyller ut en bestilling, vennligst sjekk om du jobber med de siste, oppdaterte ordreskjemaer og materialer. (NB: Du ser versjons-nummeret på selve bestillings-dokumentet som kan sjekkes mot det som finnes på nedlastingssiden).

Vi i Klaveness Footwear er alltid på utkikk etter å forbedre vårt produktkonsept. Derfor setter vi stor pris på dine tilbakemeldinger.

Og nå kan sesongen starte!

[se] Artiklar ur vårt Medical och Comfort sortiment anpassat efter din patients behov! Med vårt FIA konsept blir detta verklighet på ett enkelt och strukturerat vis.

HÖST/VINTER 2015

Kära Kund,

I denna katalog visar vi alla modeller som är möjliga i vårt FIA-system. Du hittar också dessa artiklar på vår FIA-web.

Precis som förra säsongen så har vi en separat del i katalogen med modeller som endast är valbara i OAS och OIL.

Kollektionen i denna FIA-katalog är utvald efter tre kriterier, Funktion, Utseende, och popularitet.

Färger

Du kan fritt välja färg från följande skinnprover: FIA standard leather catalogue 2013; Autumn/Winter 2014; Spring/Summer 2015. Och det nya skinnprovet Autumn/Winter 2015. För FIA barn ska ni använda våra separata skinnprover.

Sulor

Vi har baserat på försäljningsstatistik minskat ner antalet EVA-sulor i vårt sortiment, Vi är samtidigt väldigt glada över att kunna presentera 3 helt nya EVA-sulor (SE50, SE51, SE52). Detta är den nya generationens EVA-sulor och du kommer att både se och känna en stor skillnad. Vårt mål med dessa nya sulor är att skor med behov för EVA-sula skall se mer ut som en sko med "vanlig" sula.

Läster

Vi är väldigt glada över att nu även kunna presentera vår Nåblingläst som ett alternativ i FIA och OAS.

Orderformulär

På vår hemsida kan du alltid ladda ned dom senaste versionerna av våra orderformulär. Vi har nu lanserat ett helt nytt orderformulär för OIL för att underlätta beställningen av individuella läster.

För att vara säkra på att alltid få den bästa slutprodukten så uppmanar vi er att med jämna mellanrum gå in och ladda ner dom senaste versionerna av våra beställningsformulär.

Klaveness Footwear strävar alltid efter att bli bättre så vi är tacksamma för alla era åsikter och synpunkter.

Med vänliga hälsningar från oss i Strömstad genom.
